# AMAZING EID ADVENTURES

Assalamu Alaykum. I'm Zahra Rahman, author of the Muslim Children's Book, '**Where, Oh Where Can I Pray?**' Long before I became an author and illustrator, I was already trying different creative projects. This is one of my long-forgotten projects.

Side note: My book can be found online at AMWASA (<https://www.amwasa.co.za/product/where-oh-where-can-i-pray-by-zahra-rahman/>) and several other bookstores around South Africa.

## WHAT IS AMAZING EID ADVENTURES?

Are you wondering how to make Eid fun for your kids this year?

Introducing 'Amazing Eid Adventures' (AEA) to be hosted for your kids, in your home, by you. This is a scavenger hunt pack that is filled with fun, thrilling activities for your kids. All you have to do is print out the pack, cut out the relevant pieces of paper and arrange the AEA around your house. It just takes a bit of prepping on your part, and the kids will have a blast.

The AEA has been created in such a way that it is generic and can be used in all households using common items and rooms that we all have.

This PDF includes:

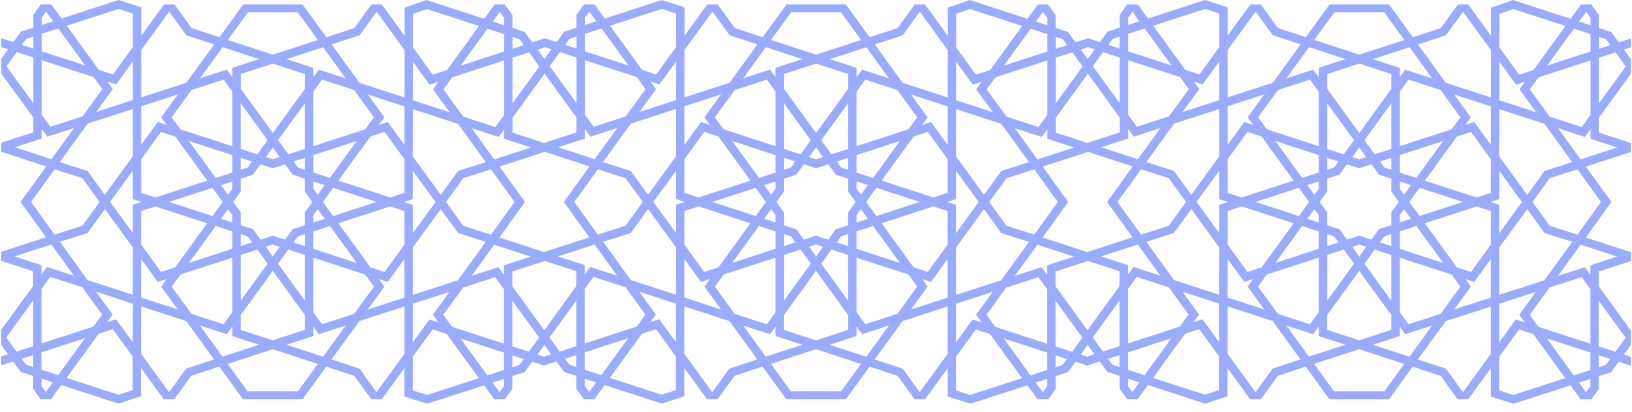

- Clues
- Puzzles
- Answers and Set Up Instructions

## Preparation:

1. Print CLUES and PUZZLES. This can be printed on normal paper or cardboard. You can even go all out and laminate it if you want. If you have more than one kid, a set of clues and puzzles should be made for each kid.
2. Sort the clues out in the order they should go and put the puzzles with the relevant clue.
3. You can place each clue and puzzle in an envelope if you wish.
4. Check all the clues and see if any of them will not work in your house, and remove them from the pack. (i.e. if you do not have a mirror)
5. Position all of the clues in their relevant places. Sometimes you may have to use Tape to keep the clue in place.
6. Sometimes you may have to position a certain object/objects in a place so that your kid can find it. (e.g. a glass of water)
7. Run through the AEA yourself to make sure it works and that the clues and puzzles are in the correct order. (NB: This is very important to do!)
8. At the end of the AEA you can have a gift waiting or even a prize ceremony for your kid or the kid who finishes first, etc. You should use your imagination.

This AEA is just a guide to help you plan a great game for your kids and may be adjusted as necessary. All of the prepping should be done before Eid to make sure everything runs smoothly.
